

A Ticket to Success

Your Ticket to Work Employment Network

Services to Ticket-holders who are working:

- You will not be subject to medical reviews of your disability while participating in our program.
- Assistance in reporting your wages to Social Security to assure timely posting of your earnings and little to no chance of overpayments.
- Problem solving – Call us with any issues at work, we can help you resolve them confidentially.
- Referrals for Assistance with ADA or Discrimination Issues.
- Re-employment services if needed – If your job doesn't work out, we will help you find another one.
- We will make sure your cash benefits don't end before they should, and your medical benefits aren't terminated when they shouldn't be.
